Revoking a power of attorney (POA) can be easy. If you have a power of attorney in place you have the right to revoke that power if you no longer

### **Revoking (cancelling) a Power of Attorney - Landing Page**

Sample size determination is the act of choosing the number of observations or replicates to include in a statistical sample. The sample size is an important feature of any empirical study in which the goal is to make inferences about a population from a sample.
