Distributed Embedded Systems (CCS Labs) Welcome to CCS Labs at Paderborn University. The acronym CCS stands for Computer and Communication Systems, indicating our main research interest.

Distributed Embedded Systems (CCS Labs)

Distributed computing is a field of computer science that studies distributed systems. A distributed system is a system whose components are located on different networked computers, which then communicate and coordinate their actions by passing messages to one another. The components interact with one another in order to achieve a common goal.
